### **OUR STORY**

We are a family run business established in 2002 with a simple mission; to offer the tastiest, freshest food with great flavours.

We tried several methods to really explore what worked best, we acknowledge that there are indeed many ways to make marinations but we have devoted ourselves to create the best marinade and we did it!

Both the marinade and the cooking method have a huge impact on delivering the tastiest chicken.

**Our secret French Lebanese  
inspired marination.**

Our simple motto

**“Grilled Spatchcock made  
better from start to finish”**
